

# ESCALERA COPYCADDY™

Patent Pending 61/272.168

The Escalera CopyCaddy is the one tool you can not be without when moving and delivering copy machines. Using the Escalera CopyCaddy, one person can easily handle most console copiers.

The Escalera CopyCaddy is a stand alone delivery cart and a ramp for loading your delivery vehicle. It works in conjunction with the Escalera StairCat Stair Climbing Forklift to become your total copier moving solution.
